

Prof. Dan Oppenheim
Director General
HMC

Dear Professor

I want to thank you very wholeheartedly for the treatment the HMC gave to our friend from Jordan, who was spending a few days with us in our house last week. We got in touch with your center through our common good friend.

The doctor visited him on two occasions and he was most generous and helpful as was other personal of the clinic.

Your assistant was also most efficient and kind coordinating with the Doctor and us.

We are extending our thanks to all of them and to you as the Director General responsible of HMC.

I hope to see you soon to thank you personally.

Yours ever,
